Scheme Rules
(Terms and Conditions)

1st Edition
Dear Member

Thank you for using my deposits Jersey to protect deposits on behalf of your Tenants.

my deposits Jersey is a tenancy deposit protection membership scheme operated by Tenancy Deposits (Jersey) Limited trading as my deposits Jersey and is authorised by the States of Jersey under the Residential Tenancy (Deposit Scheme) (Jersey) Regulations 2014.

my deposits has been protecting deposits throughout the UK since 2007. During this time we have protected in excess of 2,500,000 deposits on behalf of more than 150,000 Landlords and 4,000 Letting Agents and successfully managed over 30,000 deposit disputes. We are delighted to extend our operation to Jersey from 2nd November 2015.

my deposits Jersey is a custodial tenancy deposit protection scheme. This means that the scheme holds the deposit monies throughout the tenancy period in safe and secure segregated client money bank accounts. At the end of the tenancy both you and the Tenant must apply to the scheme to release the deposit in the agreed proportion. If either you or the Tenant disagrees over the return of the deposit, the scheme offers a free and impartial dispute resolution service that will make a binding decision on the return of the deposit. Alternatively, either you or the Tenant can apply to the Courts for a binding decision which will be carried out by the Scheme.

It is important that you take time to read and understand the Scheme Rules that apply to your membership of my deposits. The Scheme Rules are a legally binding contract between my deposits and you, the Member. The undertakings and conditions contained when you set up your Member account also form part of the contract. As part of the joining process you will be asked to confirm that you agree to operate your Membership under the Scheme Rules. Please ensure that if you have any questions or concerns that you contact us as soon as possible as you will be committing an offence under Jersey law, and liable to the payment of a fine, if you do not protect a deposit when you should.

In addition to these Scheme Rules, which outline the processes and procedures that you must follow when joining the Scheme and when protecting relevant tenancy deposits, there is a separate set of rules that apply to the way we handle deposit disputes. These rules are called the Conditions of Deposit Disputes and are an addendum to the main Scheme Rules. When agreeing to abide by the main Scheme Rules you will also be agreeing to the terms and conditions set out in the Conditions of Deposit Disputes. Tenants will also be required to agree to the Conditions of Deposit Disputes in order to access our dispute resolution service and will be asked to confirm their agreement at the time of any dispute.

The timescales set out in the Scheme Rules (and Conditions of Deposit Disputes) are critical and the scheme will rely on the authenticity of the contact and tenancy details provided to us. The scheme cannot be held responsible for the consequences of delayed responses by Members when they are required to respond within the timescales.

Both Landlords and Agents can become Members of my deposits Jersey. Agent Members must have authority to protect deposits and deal with any related disputes from the Landlord. The scheme will be entitled to assume that the Agent Member has received this authority and wherever possible the scheme will deal with the Agent in all matters relating to the deposit. Landlords should be aware, however, that notwithstanding the appointment of an Agent, they remain ultimately responsible for the Tenant’s deposit and for the actions and default of the appointed Agent. Members should be aware when lodging deposits with the scheme, the scheme can only assume protection of money when it receives it in cleared funds. Members have 30 Days to lodge the deposit with the Scheme commencing from the date the member received the deposit from the Tenant. These timescales should be borne in mind if the deposit is being lodged with the scheme by cheque. The scheme will not handle cash under any circumstances.

Continued overleaf
In addition to the requirement to lodge deposit funds with the scheme within 30 Days of receipt from the Tenant, the Regulations also require you to provide the Scheme with the correct tenancy details, including the contact information of the Tenant and any joint Tenants.

The Scheme will charge a one-off administration fee for each deposit protected by the scheme. This fee is set by the Jersey States and is used to pay for the services provided by the Scheme. The level of fee will be detailed on our website and will be reviewed by the Jersey States from time to time. The fee will be deducted from the deposit lodged with the scheme, or the first instalment if the deposit is lodged with the scheme in instalments, and will be clearly shown in your online account. Your Tenant will also be able to see the fee on the deposit protection confirmation and in their online portal. The fee is non-refundable and will not form part of any dispute resolution process at the end of the tenancy. It is the responsibility of the member to agree with the Tenant who should pay the fee but it is the intention of the Regulations that as the protection of the deposit is for the benefit of the Tenant, the fee should be paid by the Tenant.

Wherever possible, the Scheme will communicate with its Members by email so it is important that you ensure that we hold accurate contact information about you, which you can update via your online account. We also operate a fully staffed contact centre which is open during business hours (8.30am to 5.30pm) Monday to Friday excluding bank holidays.

These Scheme Rules may be updated from time to time. It is therefore important that you visit our website for the most up to date version. We will notify you by email when the Rules are to be changed. The Scheme will adopt the latest published set of Scheme Rules (and Conditions of Deposit Disputes) when considering a deposit dispute.

Our website contains a large number of resources, including video guides and factsheets, to help you comply with the Regulations and manage your tenancies in order to prevent deposit disputes. We encourage you to visit the website and take advantage of this education.

We aim to provide an accessible and friendly service at all times. I would like to welcome you as a Member of my|deposits and I hope that the service you receive meets your expectations and our aspirations and aims. If we ever fall short of our promises, please do not hesitate to let us know.

Yours sincerely

Eddie Hooker

C2 Existing Tenancies

Where a Deposit was paid to a Member on Residential Tenancy which began before the day on which the Regulations came into force, the Deposit must be Protected with the Scheme within 30 Days of the date where the Tenancy agreement is first varied or renewed at a time after the date when the Scheme has been in force.

Scheme Note: The Scheme came into force on 2nd November 2015.

Scheme Note: See C2 for transfer of Deposits.

D1.5 The release of the Deposit should only be initiated at the end of the Tenancy. If the parties agree to an early release then they must contact the Scheme by telephone.

D1.6 Failure to provide us with any information to enable us to release the Deposit will result in a rejection of the application until the requested information is received.

D2 Request for Release of Deposits by the Member

D2.1 As soon as reasonably practicable after the end of the Tenancy the Member must make an application for the release of the Deposit by completing a Deposit Release Request form, either online or in writing, supplying the following information:

D2.5 If the Tenant is not in agreement with the Member’s application then the matter will go to Dispute. The Tenant must inform the Scheme of the disagreement within 14 Working Days of being notified by the Scheme of the Member’s application and also confirm whether he agrees that the Deposit Dispute can be resolved by the Scheme’s ADR service or through the Petty Debts Court.

D3 Request for Release of Deposits by the Tenant

D3.1 The Tenant can make an application for the release of the Deposit at the end of the Tenancy by completing a Deposit Release Request Form either online or in writing and supplying the following information:

D3.1.1 The date the Tenancy ended.

D3.1.2 The amounts to be released to the Member and Tenant(s).

D3.1.3 The Tenant’s bank details

Scheme Note: The default position will be that the Member makes the first application for the release of the Deposit. If the Member does not make an application then the Tenant can complete a Deposit Release Request Form. The Scheme will ask the Tenant to confirm that the application has been made following discussion with their Landlord/Agent or that they are not contactable.

D3.2 The Scheme will contact the Member to notify him of the Tenant’s application to release the Deposit.

D3.3 The Scheme will:

D3.3.1 confirm that the Member must respond to us within 14 Working Days from the date of notification of the Tenant’s application. Failure to do so will entitle us to release the amount(s) of the Deposit in accordance with the Tenant’s release request;

D3.3.2 inform the Member that if he makes an application in accordance with D2 up to 14 Working Days from the Tenant’s application in D3.1 then the Scheme will not progress the Tenant’s application and instead follow the procedure in D2;

D3.3.3 request, if the Member is in agreement with the Tenant’s application, the Member’s bank account details and Release Code (if applicable).

D3.4 If the Member accepts the amounts as specified in D3.1.2, the Scheme will release the Deposit monies within 5 Working Days.

D3.5 If the Member informs the Scheme that he disagrees with the amounts specified in D3.1.2 he will be able to complete a Counter Deposit Release Request whereby he will follow the procedure in D2 and the Tenant will be given an opportunity to agree or disagree with the Member’s position.

D3.6 If the Member fails to respond to the Tenant release request within 14 Working Days and from the information provided at the point of the deposit protection, the Tenancy has not ended, the Scheme will cancel the Tenant’s request to release the deposit until such a time as;

D3.6.1 the Member contacts the Scheme to authorise the release of the Deposit; or

D3.6.2 the Tenancy has ended (according to the information provided by the Member) and a new Deposit Release Request has been actioned.
D4  Deposit Release for Joint Tenancies

D4.1  If a Member makes an application for the release of the Deposit the Scheme will contact the Lead Tenant to confirm the application.

D4.2  Any other Joint Tenant may contact us to take over from the Lead Tenant but he must respond within the initial 14 Working Days of the day on which the Lead Tenant was sent the initial notification. A Tenant who then contacts us must provide us with evidence that he is acting on behalf of all the other Joint Tenants.

Scheme Note: Whichever Joint Tenant responds to the notification will be required to confirm in writing that:-

(a) he will personally conduct all aspects of the Deposit Dispute pursuant to [b] to [e] inclusive;
(b) he has written authority to act for all the Joint Tenants;
(c) he undertakes and agrees to distribute the money which may be returned to him to the other Joint Tenants as directed by the Scheme;
(d) he agrees to indemnify the Scheme against any claims or loss by the other Joint Tenants made as a result of his conduct; and
(e) he will notify all the Joint Tenants that the Scheme cannot resolve any disputes between the Joint Tenants.

D4.3  If a Tenant to a Joint Tenancy makes an application for the release of the Deposit the Scheme expects the Lead Tenant to make the application. If any other Joint Tenant wishes to make an application for release of the Deposit then he must contact the Scheme by telephone. The Scheme will only operate one deposit release per Registered Tenancy.

D5  Terms under which the Scheme holds any Disputed Deposit Amount

D5.1  Where the Scheme receives notification of a Disputed Deposit Amount then this amount will continue to be held in a Designated Account by the Scheme until the Deposit Dispute is resolved.

D5.2  The Scheme will release any undisputed Deposit amounts to the parties as soon as practicable upon our receipt of the notice from the parties that there is an undisputed Deposit amount.

Scheme Note: This will occur when the Scheme receives applications from both the Member and Tenant of the amount of the Deposit they request to be released.

D5.3  If the Scheme receives notification from both parties that any Disputed Deposit Amount has been resolved at any time prior to an Adjudication Decision, the Disputed Deposit Amount will be repaid in accordance with that agreement within 5 Working Days of the Scheme being notified of the agreement by both parties.

D5.4  If the Tenant notifies the Scheme that they wish to dispute all or some of the Member’s application for the release of the Deposit but do not provide consent to use our ADR service, the Scheme will still direct the matter to ADR under Regulation 23 and both parties will be able to provide evidence to support their positions.
Section E: Disputes between Member and Tenant over the release of the Deposit

Raising a Deposit Dispute

The Scheme urges the Member to negotiate the amount of the Deposit to be released to the Tenant at the end of the Tenancy. The Scheme provides Alternative Dispute Resolution (ADR) as a method of Deposit Dispute resolution. The ADR process is evidence based and will result in an Adjudicator making an Adjudication Decision. The Scheme’s ADR process is not mediation, arbitration or counselling and the parties will not be required to meet with the Adjudicator.

Both parties must submit their evidence to us in accordance with these Scheme Rules and the Conditions of Deposit Disputes. The Scheme engages Adjudicators to analyse the evidence submitted (within our timescales) and to make a binding Adjudication Decision as to how the Deposit should be distributed.

Tenants are informed of the procedure and timescales for raising a Deposit Dispute at the time the Deposit is Protected with the Scheme and also at the time that an application is made for the release of the Deposit. The Member undertakes to provide the Scheme with the most up to date Contact Details for all the Tenants of a Recorded Tenancy and that this information is updated appropriately. Where the Contact Details are incorrect, incomplete or missing the Member must demonstrate the information they provided to the Scheme is, to the best of their knowledge, accurate.

E1 The Member should take responsibility to negotiate with the Tenant the amount of the Deposit to be returned to the Tenant at the end of the Tenancy.

E2 The Scheme provides an Alternative Dispute Resolution service in accordance with the Regulations which encourage its use as a method of Deposit Dispute resolution.

E3 Whilst there is no obligation for Tenants to use the Scheme’s ADR service, it is available at no additional cost and is designed to allow quick and easy access to a resolution of the Deposit Dispute.

E4 The Scheme has a separate document entitled my|deposits Jersey Conditions of Deposit Disputes. The Conditions of Deposit Disputes set out how the Scheme deals with Deposit Disputes including acceptance, process and resolution.

E5 All Members are contractually bound to agree to abide by the latest edition of the Conditions of Deposit Disputes as an addendum to the my|deposits Jersey Scheme Rules. The Conditions of Deposit Disputes are available online in the public area of the Scheme’s website or can be posted to the Member if a request is received over the telephone or by letter.
Section F: Miscellaneous Rules and Provisions

F1 These Scheme Rules, the Conditions of Deposit Disputes and Supporting Scheme Documentation will need to be updated from time to time. Notices of any changes will be posted on our website, in newsletters and/or direct mail.

F2 The Member agrees to abide by the latest version of the Scheme Rules notwithstanding any earlier version which was in force when the Deposit was Protected.

F3 Members and Tenants are required to answer security questions when they telephone the Scheme.

F4 The Scheme may delay action if we have any concerns about a Member’s compliance with these Scheme Rules, identity, fraud or money laundering.

F5 The Scheme cannot be held responsible for intervening events beyond our control which prevent, delay or impede our ability to operate the Scheme or these Scheme Rules.

Scheme Note: This includes (not exclusively) events such as fire, flooding, strike or terrorism.

F6 These Scheme Rules are governed by and shall be construed in accordance with the Relevant Legislation and the laws of Jersey.

F7 Our previous ADR Decisions may not be relied upon as precedent or authority for deciding any following Deposit Dispute. Each Deposit Dispute is heard on its own individual merits and Supporting Evidence submitted by both parties.

F8 Any Scheme notes or information posted on the website to assist and notify Members, the Tenants or parties involved with the Scheme is intended as general guidance and assistance and is non-specific and does not override the strict requirements of the Act, Regulations or any related statutory instruments.

F9 Any claim that a Member may have against us is limited to the Protected Deposit Amount plus interest at 2% above HSBC base rate from the date of the liability being proven against us.

F10 Neither Members or Tenants are entitled to any interest on the Deposit monies lodged with the Scheme.

F11 Time is to be strictly interpreted and observed within all prescribed periods. The Scheme may allow additional time only if suitable evidence is given as to the cause of delay. If a statutory time regulation gives no flexibility then the Scheme cannot grant any leniency.

F12 If the Scheme makes an incorrect payment to any party as a result of an administrative error then that party is required to immediately return the amount upon request by the Scheme. Failure to return the amount in accordance with a request is likely to result in legal proceeding being instigated to retrieve the outstanding amount.
